★ WHY WE DO IT:

The Chamber is a robust community of professionals from a variety of industries and, as a member, you are positioning yourself among the leading businesses driving our region forward. We value the opportunity to develop your business and bring you ways to build your network, save money and showcase what makes your organization unique.

⚙️ HOW WE DO IT:

- Your Chamber representative will collaborate with you to identify programs and engagement opportunities to build your network and gain visibility for your business.
- We are dedicated to providing our members important information and relevant news that will impact your business.
- Small businesses are an important part of our community and represent over 80% of our membership. We have developed Small Business Resources and programming to help navigate your specific needs.
