APRIL 2022

## MAKING THE DE&I DIFFERENCE

At the third-annual DE&I Conference, sponsored by Roper St. Francis Healthcare, the team set out to bring together talented speakers with incredible stories, but with an understanding that attendees would be at different moments in their journey, they also challenged themselves to push boundaries and bring a broader perspective to a room full of diverse individuals.

### 10 KEY MESSAGES FROM THE CONFERENCE

1

## ANNOUNCING INAUGURAL CIVIC LEADERS ACADEMY CLASS

Civic Leaders Academy, a new public service training program designed to identify, cultivate and train individuals from across our region to both run for public office and serve on appointed boards and commissions, is kicking off with an incredible inaugural class.

## FIRST, DATA. NEXT, CHANGE.

Released at the DE&I Conference, the Minority Business Ecosystem report is a great resource that features data around minority businesses in our region, words from minority-owned business owners, ways to support the growth and development of minority-owned businesses and highlights on current efforts in our region, just to name a few!
